

Birthday Party Requirements

A 50% deposit is required to reserve the Birthday Party Room. Parties should be scheduled to begin a half hour after your scheduled time to allow time for set up. The room is available for the two hours reserved. Early set up is not permitted, and the room must be vacated at the end of the rental period.

Party guests may enjoy unlimited use of the Museum before or after their party.

Children must remain with an adult chaperone at all times. At least one adult for every ten children is required. As a consideration to our other guests, balloons must remain in the Birthday Party Room until the party guests are ready to leave.
